From the Pastor...

It is hard for me to put into words how blessed I feel to be your pastor. This week is just one example of the kind of folks who serve the Lord here at FBCGV. On the first day of VBS we welcomed 38 children to our halls and that was complimented with **33 staff and helpers!** On top of that, this is one of the hottest summers we can remember and each night you came, smiled, and served others in the name of the Lord Jesus Christ. It is my privilege to serve along side of each one of you, and I am so thankful to be a part of God's work here. Let's keep on keeping on for our Savior!

We are blessed to welcome Mike and Charity Savage to our membership by the waters of baptism last Sunday morning. It is always a thrill to witness God's children make public their faith in the Lord. Let us work together to invite others to come and be a part of the work of the Lord in Green Valley.

Cookout: We will have our second summer cookout this coming Wednesday evening. Hopefully, it will be a little cooler than the last few days. I will be fixing the hamburgers and hotdogs with the fixins. If you can bring a dish to share, it would be a blessing. Let's enjoy some sweet fellowship on a Summer evening in Monrovia. If you have any questions, please let me know.

Photo Directory: We have started signing up for appointments for our upcoming Photo Directory project. Please take the time to schedule an appointment for you and/or your family today. If you know someone outside of our church family who would like to be photographed (free 8x10) but not be added to our directory, they would also be welcome. If you have any questions, please see Diana Krop.

Help Ashley! Last Sunday morning, Ashley Guilday let us know that she is planning on

attending YWAM school for Performing Arts and Media in January 2011. This is a ministry training and serving opportunity. Ashley is trying to raise the tuition needed for this school. Please see her board in the vestibule for ways we can help her earn her way aboard.

Summer ministry is finally slowing a little and just a couple more events are planned. Our thoughts are turning towards the Fall and the promise of new ministry and the revitalization of the tried and true. My prayer is that we will rest up in the final weeks of the summer and rev up as we head into cooler weather ministry.

If you are visiting with us this morning, we welcome you! Your presence is a blessing to us and we pray you feel a warm welcome. We are praying for you!

Church, let us lift our voices to the Lord today. Hold nothing back. Praise the Lord for He alone is worthy of our praise. May God bless each one is my sincere prayer.

Bro. Mike

Ladies Retreat Committee Needed:

FBCGV Ladies are responsible for leading the 2011 annual Mid-Atlantic Association Ladies Retreat. This involves choosing the place, developing the theme and program, and selecting a speaker. We must have the place and some basic info available for this year's retreat in October. If you would be interested in serving on this committee, please see Deb Yoho.
